RE: FY2010 - FY2013 Indiana State Transportation Improvement Program (INSTIP) Transit Amendment #3

Dear Administrators;

Please find attached a Metropolitan Planning Organization TIP amendment which needs to be approved and included into the FY 2010 Indiana Transportation Improvement Program. We will reflect by reference the 2009–2013 federal aid projects covered by this approval in our 2010-2013 INSTIP. The amendment resolution numbers is listed below:

- NIRPC – Resolution 10-04
 - Add the replacement of Electronic Message Boards for NICTD - Total Cost \$300,000

We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

We request your review and approval of the subject amendment. Please contact me at (317) 232-5292 if you have any questions.

Sincerely,
